GIS data and product accuracy may vary. The Forest Service reserves the right to correct, update, modify, or replace GIS products without notification. This map does not guarantee site-specific vegetative conditions, nor does it guarantee hunting success in any one area, as grouse movements and needs change throughout the season. Opportunities for viewing prairie grouse exist during spring. For questions about hunting or viewing, please contact the Bessey Ranger District at (308) 533-8112.
